|-------|---------------|---------------|---------------|---------------|---------------|
| Size  | 685 x 1220 mm | 665 x 1220 mm | 665 x 1220 mm | 650 x 1360 mm | 650 x 1360 mm |

## PROPERTIES

Promeg is an extruded polypropylene sheet, incorporating a high cosmetic finish and high standards of mechanical and environmental integrity. Its properties allow for a wide range of uses and finishes.\*

| Durable | Light weight | Colour range | Clear range | Printable | Versatile | Customisable |
|---------|--------------|--------------|-------------|-----------|-----------|--------------|
| ✓       | ✓            | ✓            | ✓           | ✓         | ✓         | ✓            |

\*Promeg has a distinct weight advantage over comparable substrates such as PET and PVC.

## USES

Designers continue to find new possibilities for this versatile material. The main uses are listed below.

| Signage   | Architecture   | Packaging  | Retail display  | Stationery  | Animal health                                       | Horticulture   |
|---|--|--|---|---|---|--|
| - Exterior<br>- Interior<br>- Backlit<br>- Safety | - Cladding<br>- Public spaces<br>- Sculptural<br>- Shop fit outs | - Consumer<br>- Promotional<br>- Retail<br>- Medical | - Counter units<br>- Dump bins<br>- Floor stands<br>- Hangsells | - Binders<br>- Carry cases<br>- Dividers<br>- Folders | - Collar cones<br>- Pet carriers<br>- Vaccine packs | - Covers for tubs & pots<br>- Root barriers<br>- Tree guards |
