

30 November 2022

Holiday break announcement & site move update

Dear Customers,

It's that time of year when we juggle the Megara work-life balance of getting your projects delivered on time, whilst taking some down time for our team.

We will be wrapping up for the Christmas and New Year break at **midday on Thursday 22nd December and will re-open on Wednesday 4th January 2023.**

Final 2022 Deliveries and Pickups

- Deliveries available until 12pm Thursday 22nd December
- Pickups available until 12pm Thursday 22nd (Melbourne metro only)
- We recommend that interstate pickups are made by Thursday 15th December but are unable to guarantee deliveries due to the high level of transport demand at this time.

Please contact your Megara Account Manager prior to this date to ensure we can accommodate your design, manufacturing, and delivery requirements.

If you need to contact us over the break about urgent warehousing and distribution jobs, you can call our main head-office number [03 8720 6600](tel:0387206600) or for new product and order enquiries email hello@megara.com.au.

Megara Australia is part of Corex Group. Find out more at corex.com.au

UPDATE: Relocation to Dandenong South

Since our merger with [Corex](#) in February this year, the teams at Corex and Megara have been making and executing plans for the smoothest possible assimilation into Corex's Dandenong South location. These plans were designed to minimise disruption to our valued clients.

We now have most of our Megara team, machinery, and resources at our new home in Dandenong South and are in the final stages of our relocation which will be complete by late January 2023.

Thank you so much for your ongoing support in 2022.

From the teams at Corex, Corex Recycling and Megara, we would like to wish you all a happy and safe Christmas and New Year break. We can't wait to see you all in 2023 at our new home!

Kind regards,

The team at Megara

 **MEGARA**

We make. You look good.
